Dear Mark,

David and I would like to express our thanks to Josh and his crew, Cory, Joel, Tim and Mike for their assistance following the earthquake on February 28th, 2001.

They immediately went to help an elderly tenant, Mrs. Carr in unit 434 - a gesture greatly appreciated by her son, Mike. They were also concerned that another elderly couple, the McQuillans, in unit 421, might need assistance. Fortunately, that couple was on vacation, but their daughter and son-in-law, Barbara and Lyle Maichel, unit 431, asked me to thank Josh and Joel for their concern and willingness to help.

Josh and the crew also removed glass and boarded up the open window in our adjacent building that broke out onto the sidewalk. They remained on the job site and helped assuage the fears and concerns of those tenants who were in their units at the time of the quake.

We feel that McBride Construction would appreciate knowing that this crew did a superb job in the aftermath of an extremely unnerving event.

Sincerely,

Judith A. Deak
